Technology Task Force
Recommendations from 2018-2019

- Letter to parents explaining privacy policy permissions
- Network security audit
- Teacher Technology Tips page
- Staff Survey Questions
- Purchase subscription for Turn-It-In.com
- Use technology to build more independence for students
- Section of school website that is password protected for parent information
- Use of SeeSaw: Find out if there are pictures of students whose parents haven't given permission to post pictures online?
- Bring coding into elementary school
