

March 18, 2020

Good Morning 5th graders!

We hope you are adjusting to time at home with your family. We have been hard at work trying to figure out how to make learning possible without being together everyday. It won't be the same, but we will get through this! Think of At-Home Learning as a fresh-start, so don't worry about past work or due dates.

**\*Please read carefully for what you will be expected to do\***

**EVERYDAY YOU NEED TO:** Check your @woodsideschool.us email

- Go to our [Google Classroom](#) and look for the most recent post
- Check for other teachers' emails and their Google Classroom posts
  - Art - Ms. Iverson, Music - Ms. Hoss, PE - Mr. Haddon, Science - Ms. Parker, Library - Ms. LaCrosse

**GOOGLE CLASSROOM:** There will be 1 post for the week - that has all the resources you will need

- Inside the post will be documents showing your daily assignments (like Binder Reminder checklist)
- Teachers will be adding-on everyday, so check that post for daily updates

**CLASSWORK:** You will have assignments for all your subjects

- You should spend 10-20 minutes minimum per assignment
- You must complete each assignment the day it is due

**ATTENDANCE:** Finishing your work is proof of attendance

- You need to complete the work assigned for that day
- If work is missing, you will be marked absent

**SUPPORT:** Be patient, this is brand new for EVERYONE! Don't stress, there are plenty of ways to get help.

- Your classmates might be able to give you advice - email or call them, help each other out!
- Your teachers are available to help you!
  - Email them, they can try to answer your question
  - [ZOOM](#) conference, if needed they can reach you directly

We know that we are asking a lot of you with at-home learning, but we know that you are capable. This way of learning might be tough at first, but we will all get the hang of it. You've got this!

Take care,
