Friday	Computer Lab - Room 18 Design Lab - Room 19	Computer Lab - Room 18 Design Lab - Room 19 Garden Peer Leaders Mrs. Iverson - Room 25 Upstanders Club - Library

* Teacher Office Hours/Student Workroom - Students may go to a teacher's classroom to complete work, finish tests, etc.

Upstanders club - Upstanders club will be hosted on Fridays in the school library. An upstander is someone who recognizes when something is wrong and acts to make it right - we aim to be socially aware and responsible. Upstanders club is a conflict management and peer mentor leadership club. Students will learn how to resolve their own conflicts and help others.

Friday	Computer Lab - Room 18 Design Lab - Room 19	Computer Lab - Room 18 Design Lab - Room 19 Garden

Lego club - Lego club will be hosted in Rm 8 on Mondays. Students will use legos to build/save projects on a weekly basis. Lego club will encourage students to use creativity and teamwork together.

Game club - Game club will be hosted in Rm 8 on Tuesdays. Students will play a variety of board and card games. Game club will encourage students to share, follow rules, and build peer relationships.

Dance club - Dance club will be hosted in Rm 8 on Thursdays. We will use the GoNoodle format to allow students to move/dance to selected videos. Dance club will allow students to express themselves while exercising and learning how to closely follow instructions.
