USA Theme

Our final theme in TK is off to a great start! We are learning all about our country, USA geography and national symbols.

Some unit highlights will be: how to be a good citizen, learning patriotic songs, famous Americans, National symbols, map reading skills and identifying landmarks. Count Down

We have started counting down the last days of school in our classroom. As of today there are 17 days left of TK! I have LOVED teaching this class and I am very impressed with their growth as young students. Over the next few weeks, we will be visiting the kindergarten rooms to get more comfortable with the transition to kindergarten. Field Day

Monday, June 4th is our annual school-wide field day. TK will be participating in a small part of this big event. We will also be watching the relay races. Please make sure that your child is dressed to be active and wears sneakers. Don't forget to apply sunscreen and bring water bottles.
