Re: 7th/8th Grade PE/Music

Dear Future 7th and 8th Grade Parents and Students,

We are excited to offer additional Music classes to all 7th and 8th grade students. These Music classes will be backed up to PE and do not replace the Band elective.

In our effort to complete the Middle School student schedules, it is important that we know if your 7th or 8th grade son/daughter would like PE for all five days of the week or PE for three days and Music for two days during a given week. Below is a description of the two courses:

- **7th Grade:** Continuation of Acoustic Guitar featuring a variety of genres and styles and based on individual student needs.
- **8th Grade:** World Percussion featuring different drums (i.e., buckets) in an ensemble setting.

Please complete the form at the bottom of this page and return it to the school office by Thursday, June 6. If we do not get a response, we will place your child in PE all five days.

Thank you!

Sincerely,

Mr. Frank – Middle School Principal
