

STEM FAIR 2017

Woodside School had a very successful School and District STEM Fair with **23** students moving onto San Mateo County's STEM Fair competition. 11 students placed at the County competition and 6 will will represent Woodside at State. Addie Ahlstrom and the science duo of Georgia Hutchinson and Linus Upson were also given special awards. The following students are those chosen to move onto County, as well as a few who have been elected to move onto California's State Science Fair, and Broadcom Masters Engineering and Science Fair. Ms. Bowdoin and Mrs. Parker are so proud of these young scientists! Good luck to those moving onto State in April!

<u>QUALIFIED FOR COUNTY</u>	QUALIFIED FOR STATE AND NOMINATED FOR BROADCOM MASTERS SCIENCE AND ENGINEERING FAIR
Brooke Dombkowski	Brooke Dombkowski
Liam Gould & Rowan Tarpenning	Georgia Hutchinson & Linus Upson
