

This year's FPW campaign, "Serve Up Fire Safety in the Kitchen!™" works to educate everyone about the simple but important actions they can take to keep themselves, and those around them, safe in the kitchen.

Did you know?

Cooking is the #1 cause of home fires and home fire injuries. Unattended cooking is the leading cause of fires in the kitchen.

Woodside Fire Protection District is having a raffle for its students to help encourage fire safety in the home!

Students can participate by:

- Reviewing and completing the How to Make a Home Fire Escape Plan with their family.
- After checking all the boxes on page 1, save the sheet and email it to selenab@woodsidefire.org.
- Save page 2 to practice your plan with your family.

Winners will be chosen at random at the end of October. Submissions are due by October 26th. Four winners will be selected.

Prizes:

- Fire Safety Theme Goodie bag and gift card for Amazon or iTunes (amounts between \$25-\$50)
- Personalized video message from the Woodside Firefighters
