

Yearbook Cover

Theme: **Around the World!**

If you are interested in designing a yearbook cover this year, create a picture that represents our theme *Around the World*. We're looking for a creative cover picture that will include the words "Woodside School", "Wildcats", and "2017-2018".

-Requirements-

- The title of the yearbook will be "**Woodside School**" or "**Woodside Wildcats**" and **MUST** be part of your design.
- If not used in the title, the word "**Wildcats**" **must** appear somewhere in the picture.
- The **title** should be **solid, bold, and stand out**.
 - *It's also better if this can be centered from side to side near the top portion of the picture.*
- The years "**2017-2018**" **must** appear somewhere in the picture.
- The picture should cover **8½ x 11** of plain white paper, anything outside those dimensions may not make it on the cover.
- Make sure you fill the whole space by having a background behind anything in your picture. (*No white space*)
- Your name written **lightly in pencil on the BACK of the page**. We will not use your picture if your name is on the front.

We recommend you put a **Wildcat** on the cover to show school spirit.

Use prior yearbooks as examples.

If you need paper, we have card stock you can use. Stop by the computer lab or art room.

Thank you!
