Volunteer Registration Form

School Year: 20__/20__

Each parent and /or community member who wishes to volunteer at Woodside School or at school sponsored activities, must read the following affirmation regarding volunteer assistance in the district, complete the registration, sign and date this form.

It is the highest priority of the District to provide for the safety and well being of its students. To this end, volunteers cannot be registered sex offenders. At its discretion, the district may choose to conduct an automated records check to determine that an individual is not a registered sex offender.

I,_____, affirm that as a volunteer in the Woodside Elementary School District, I am on Campus or at school sponsored activities to further the District's curriculum, policies and procedures. I am not volunteering in order to develop relationships with students so as to recruit or influence students for or against any non-sponsored organization or belief.

Volunteer Driver Form

(Complete this section if you wish to volunteer as a driver, **and attach a copy of your valid driver's license and evidence of current insurance**)

I,_____, Volunteer to transport student(s) of the Woodside Elementary School District to and from school sponsored events in my private vehicle. I affirm that:

- To my knowledge, my vehicle is fit for its intended purpose, is safe and has a manufacturer installed safety belt/harness system for the number of passengers I agree to transport. At any one time, I will only transport the number of passengers for which my vehicle has an operating safety belt/harness system (up to 8 passengers, maximum)
- I acknowledge that the vehicle being used to transport students is manufactured to transport no more than 9 people (8 passengers and one driver). I further understand that it is against California State law to transport students in a vehicle that is designed to seat more than 9 people.
- Operation of my vehicle is and will continue to be covered by my automobile liability insurance, which provides at least $100,000/person and 300,000/accident on liability, and $5,000 property damage /accident. If I have an accident while transporting students in my vehicle, my insurance will be primary.
- At all times that I am transporting students in my vehicle, only I will be the driver
- I am Familiar with the rules of the road and will at all times drive in compliance with them, and all other provisions of the California State Vehicle Code.

If an automobile accident or injury occurs while my vehicle is being used to transport students and it is alleged that I was negligent in my operation of the vehicle and /or that I violated any of the above representation, I agree to hold harmless, Indemnify and defend the school district and its employees from any claim, demand, action or lawsuit against them arising out of that accident.
