

Woodside School District's Kindergarten Registration Is Coming Up!

There will be an information meeting for all incoming Kindergarten families on Monday, February 28, 2022 at 6:00 p.m. via Zoom. All families interested in registering for Woodside's Kindergarten program will sign up using this [link](#). Once registered, you will receive the Zoom link to access the meeting.

Prior to the meeting, all families who have registered will receive a video presentation from the Kindergarten teachers. This video will provide important and valuable information regarding Woodside School's Kindergarten program, and what your child will experience as a Kindergarten Woodside Wildcat!

The meeting will cover:

- An introduction to Woodside School, the Administration Team, Teaching Teams, and other important school group and staff members
- An overview of the Kindergarten program
- Navigating the registration process
- Review of the Kindergarten Meet and Greet in August
- And much more!

Age Eligibility: A child shall be admitted to a kindergarten program at the beginning of a school year, or at a later time in the same year if the child will have their fifth birthday on or before September 1st for the upcoming school year and thereafter. Children who are not age-eligible for kindergarten could possibly be eligible for transitional kindergarten (TK). A parent orientation for the TK program is scheduled for late Spring 2022.

We look forward to meeting with you on February 28th! Should you have any questions, please reach out to Melissa Bowdoin, Lower School Principal.

Warm regards,
Melissa Bowdoin
