## San Mateo County Special Education Local Plan Area

# SAVE THE DATE!

### Community Advisory Committee Meeting

**27 March 2023**

**6:00 – 8:00 PM**

The San Mateo County CAC is made up of parents, community members and District staff concerned with the needs of children with disabilities. Members work to improve and promote communication between schools, parents, and public agencies, to increase community awareness, to facilitate parent education and support, and to coordinate activities on behalf of children with exceptional needs.

The CAC holds four meetings annually to address topics of interest to families of children with disabilities and gather information to advise our Special Education Local Plan.

Our next meeting will be held via Zoom. The main focus will be on our Local Plan documents- the Plan and Budget for special education in our county. This meeting will be your first opportunity to make your voice heard in the development of these documents!
