

Dear Parents/Guardians,

At Woodside School, we recognize that family changes can significantly affect our students. That's why we are excited to introduce The Family Club, a supportive environment designed to help students navigate their family dynamics as they transition into the weekend and school year.

When: Fridays from 2:40 PM to 3:10 PM

Where: To be determined

Who: Open to 4th-7th grade students. (If your child is not in 4th-7th grade and would like to participate, please email kmorton@woodsideschool.us directly.)

What: The primary goal of The Family Club is to create a safe space where children experiencing changes such as divorce, separation, moving, or any other family shifts can connect with peers who understand their experiences. Mrs. Morton will facilitate engaging discussions, providing guidance, coping strategies, and fostering understanding and empathy among participants.

To ensure counseling services are provided with your consent, we kindly ask for your permission. If you agree to allow your child to participate, please fill out the information below and return it to the school office.

Please do not hesitate to reach out to Mrs. Morton with any questions or concerns.

Sincerely,
Kate Morton MS, NCSP
School Psychologist
