

Yearbook Cover

Theme: Enchanted Forest

If you are interested in designing a yearbook cover this year, create a picture that represents our theme *Enchanted Forest*. This can be anything you can imagine might be found in an Enchanted Forest. We're looking for a creative cover picture that will include the words "Woodside School", "Wildcats", and "2023-2024".

-Requirements-

1. The **title** of the yearbook will be "**Woodside School**" or "**Woodside Wildcats**" and MUST be part of your design.
2. If not used in the title, the word "**Wildcats**" **must** appear somewhere in the picture.
3. The **title** should be **solid, bold, and stand out**.
 - o *It's also better if this can be centered from side to side near the top portion of the picture.*
4. The **years** "**2023-2024**" **must** appear somewhere in the picture.
5. The picture should cover **8½ x 11** of plain white paper, anything outside those dimensions may not make it on the cover.
6. Draw the picture in "**portrait**" layout, *up and down*
7. Make sure you fill the whole space by having a background behind anything in your picture. (*No white space*)
8. Your name and grade written **lightly in pencil on the BACK of the page**. We will not use your picture if your name is on the front.

We recommend you put a **Wildcat** on the cover to show school spirit.

Use prior yearbooks as examples.

If you need paper, we have card stock you can use. Stop by the computer lab or art room.

Thank you!
