

# Woodside School PTA Grant Program Application

In an effort to bring additional opportunities to the students and to assist the faculty and staff in the creating an exciting learning environment, the PTA has allocated a fund for the 2025-2026 teacher grant program.

The goal of this program is to provide an opportunity to bring something special to each classroom and support an entire grade or program. These grants are intended to support program elements that go above and beyond the budgeted district programs, enhancing the learning opportunities for students within the adopted curriculum. Materials that are essential to implement WES curriculum programs are to be provided by the school budget, not through the grant process. If you believe your classroom budget can cover a potential grant request, please do not submit an application. Software and online subscriptions are also not eligible for these PTA grants.

The criteria for obtaining grants is based on how it will enhance the existing core curriculum and how all students will benefit from the experience. **Requested fund amounts cannot exceed \$1,000 per grade.** After approval by Superintendent Frank, grants will be forwarded to the PTA Executive Board for final approval in March 2026. **Orders for approved grants will be placed in April with the goal of delivery for the end of the school year.**

**Grant applications are due by March 6, 2026.**

**Name(s):** \_\_\_\_\_

**Date:** \_\_\_\_\_

**Class/Grade:** \_\_\_\_\_

**Content Area:** \_\_\_\_\_

**Requested Grant Amount \$** \_\_\_\_\_

*Total Grant Awarded: \$* \_\_\_\_\_
